

Dear Parent / Caregiver

Consent release for use of images for promotional purposes

CE has a long rich history, and as part of documenting this history we record the variety of activities that our participants engage in. We hope that photos that are taken can appear on our website and in our newsletter. Photos and videos are taken during a range of CE activities, such as Junior and Senior Camp, Grant projects, Country Focus events, and Mentoring partnerships. In order to do this we need parental permission to take children's photos and use their images.

This permission will last for three years. **If you do NOT want your child's image to be used in any of our promotional material you need to complete the form** below and return this to us prior to the CE activity they are attending. If you agree for your child to have their image recorded, both as photographs and video footage, you:

1. Consent to video/photos/other images of my child being taken by CE for a range of public promotional purpose (both hardcopy and electronic), including publications, promotional material, websites and advertisements for the determined period of time;
2. Acknowledge that any recording made by CE of any performance of my child in connection with promotional activities is an authorised use of my child's performance for the purposes of the Copyright Act 1968;
3. Understand that any video/footage/other images taken may be shown in a public environment (in South Australia, interstate and/or overseas);
4. Agree that my child's participation in promotional activities may be edited at the discretion of CE;
5. Acknowledge that CE is not obliged to include my child in the promotional activities;
6. Release CE from any claim by me or anyone on my behalf and arising out of my child's appearance in promotional activities;
7. Acknowledge that there is to be no payment or further consideration paid for my child's performance.

Blessings,

Jessica Routley
